

E-sources on mechanical engineering, robotics in the AGH University Main Library

(databases, journals, books, conference materials)

For whom? For employees, PhD students, and students of  and everyone interested!

How to access resources? Preferably, from the Main Library website. Please select the E-Resources and catalogues tile, then click on Subject categories, the discipline and database or collection you are interested in. You can use our e-resources from anywhere in the world! Before that, be sure to register at the Library and/or activate your library account for the current academic year.

Any questions? Please contact the Reference Department, 1st floor, room 121, e-mail: oin@bg.agh.edu.pl, phone 12 617 32 15.

Selected e-sources

POLISH SOURCES	
<u>BazTech</u>	abstracts, articles
<u>BPP</u>	AGH University staff publications
<u>Ebookpoint BIBLIO (NASBI)</u>	books
<u>IBUK Libra</u>	books

INTERNATIONL SOURCES	
<u>ACM Digital Library</u>	articles, conference materials
<u>AccessEngineering</u>	knowledge database
<u>IEEE Xplore</u>	articles, conference materials
<u>Knovel</u>	books
<u>ScienceDirect</u>	articles, books
<u>SpringerLink</u>	articles, books
<u>Web of Science</u>	articles, conference materials
